Entered according to Act of Congress, in the year one thousand eight hundred and ninety-eight, by

WILLIAMSON LAW BOOK COMPANY,

In the office of the Librarian of Congress, at Washington.

PREFACE.

This volume covers the New York decisions and citations from the point where Benjamin's Table of Cases stopped to the end of the Court year of 1897—approximately, from October, 1892, to July, 1897.

While all that a Table of Cases usually contains is here given, the analyses of the points and applications of citations will save the lawyer much time and labor.

The arrangement of cases involving Political Divisions is alphabetical according to the proper name of the City, County, etc., instead of the generic name of the division or its officers ; for instance, the case of the Village of Lancaster v. Richardson, 4 Lans. 136, will be found under L and not under V, and in the form, Lancaster, Village of, v. Richardson.

The letter D indicates that the citation next after it is from a dissenting opinion.

Duplicate citations are in a parenthesis. The exact page where the citation appears in any report or reporter is given.
